I'm really not sure. It looks like a leak from the planter because it washed so much dirt into the street.

Nicole,

I will direct Clean San Pedro to go and take a look. Was it LADWP that made the mess?

Hi Lorena,

There was some kind of water pipe break on 7th Street, in front of Rainbow Services, 453 W 7th St, San Pedro 90731.

There is a lot of dirt in the street and on the sidewalk. Any chance we can get a PBID clean up crew to sweep it? If it's too much for them, please let me know and I'll work something else out.

Have a good weekend!
